There is so much happening at the Cathedral during the month of May, that I simply forgot to include a couple of messages. For that reason, this will be the first ever (and hopefully last) *Postscript* edition of Cathedral Calling.

But before I get to that, I appreciate the notification that I had made a colossal error in Issue #41. I stated that the Governor General and his wife would represent Canada at King Charles' coronation on Saturday. It should have read the **Governor General and her husband**. I very humbly apologize.

A Celebration of Life is being held for The Reverend Deacon Canon Dr. Michael Jackson on Saturday, May 20, 2:00 p.m. at St. Paul's. I thank everyone who have submitted their memories, but for those who have been unable to do so, you will have the opportunity on May 20 as sheets of paper will be included in your bulletin. This will give you the opportunity to leave your memories or message in a basket that will be located on the table at the back of the church. Extra sheets will also be left on the table.

This is a call for volunteers who may be interested in attending to liturgical duties as greeters, readers or servers. You can volunteer for one or all. I know most of us think. "I don't know what to do in those roles." Do not fear as training sessions will be available so everyone will know what to do in the specific roles. Contact Jim Melville if you are interested.

Thank you for your support of Cathedral Calling. Let me know if there is an item of interest you would like to share with other Cathedral Calling readers by contacting me at wa3f@sasktel.net.
